Hi Nathan,

Albaugh is writing to request a PRIA Extension of 3 months for our application File Symbol No. 42750-GLO (Decision # 549334) from Feb 4, 2020 to May 4, 2020.

Kind regards,

Nathan

Kind regards,

Nathan

Hi Morris,

Unfortunately the product chemistry review for this product is not yet complete and additional time will be needed to complete the review. At this time an additional three months is suggested. Please respond to this email with the registration number, decision number (549334), and new PRIA date of May 4, 2020.

Thank you
Nate
